

## CON-DC

### SPECIFICATION

CON-DC-FEM

DC Connector 5,5 mm X 2,1 mm  
2 conductors  
Screw terminals

CON-DC-MALE

### PRODUCT DIMENSIONS

**Length**

6 1/2" (40 mm)

**Width**

5/8" (16 mm)

**Height**

1/2" (12 mm)

### INTENDED USE

CON-DC is the perfect product for those who want a custom wire installation. They make it easy to attach FIL-2-PL series wires and transformers, puck lights and recessed luminaires without welding or marrette.

Female connectors are compatible with transformers, while male connectors are compatible with luminaires.

Note that cutting luminaire connectors voids their warranty. The use of CON-DC allows it to be preserved.

## **WARNING**

---

1. Install this product in accordance with the applicable electrical code. This product is designed for installation by a qualified person or electrician.
2. This product is designed for indoor use and is not protected from moisture.

## **WARRANTY**

---

This product is warranted against manufacturing defects for a period of one (1) year from the date of purchase and does not include the other products shown on this sheet, if any. For a complete description of the warranty, visit [www.innovadel.com](http://www.innovadel.com) or contact our technical support. Any modification, alteration, improper installation of the product, or cutting of connectors, will void the warranty.
